

*Explanation of Categories:

Category 1- Non-Profit, free event:

These entities are TSD programs and partners who benefit the District, Town of Telluride athletic nights, student clubs & programs, safety or substance abuse classes; branches of Govt. and community forums.

Impact Level: Low

Category 2 – Local, Non-Profit events:

These entities charge a fee for attendance; may be weekly or extended use in nature, targeted towards Telluride students or staff activities. May also target adult audiences and usually generate business for the town by bringing in attendees from outside the area.

Impact Level: Mid-level (requires admin oversight and consistent communication with group)

Category 3 – Commercial Event:

Entities who are commercial in focus (regardless of corp. structure); and primarily non-local. Event will charge significant fees for attendees and market events far beyond the Telluride region. They contribute to the community through business generated by attendees but otherwise focused on a successfully run event.

Impact Level: High (significant amount of oversight, communication and follow up, throughout event)

*These categories apply to District spaces only and exclude Palm Arts Inc. spaces.
